For exhibitors

# BEFORE YOU BOOK AN EXHIBITION VIDEOGRAPHER

**Ask these 4 questions.**

# 01

# WHO EDITS DURING THE SHOW?

If nobody edits on site, your reels arrive after the buyers have gone home.

# 02

# DO THEY KNOW THE HALL RULES?

Gate passes, filming permissions and power points vary by venue. Surprises cost you show hours.

# 03

# WHICH CUT-DOWNS DO YOU GET?

A hero film, short reels and a stall loop are three different edits. Agree all three upfront.

# 04

# WHOSE MUSIC, WHOSE FILES?

Licensed music and the raw footage should be yours to reuse after the show.

# PLAN YOUR COVERAGE EARLY.
